

No. 1999

20 February 1951

TO : 40/III/Z

FROM : [ ]

SUBJECT : V-10721

REF : 45.8 3 Memo November 1949  
Subject : Suspected Ambidexter Napoleon KRASOVSKI

1. In connection with our request for information on subject [ ] Memo 1844) we came across the old report referenced above. V-10721 is apparently identical with the subject of the report. We should like to know what additional information was disclosed on the persons mentioned in the reference. (We assume that subject was cleared of the charges that he was possibly working for the RIS but we have no record of this in our files. We do have another reference on Werner Napoleon KRASSOWSKI contained in 7/T/I to 34.3 dated 30 August 1948. It is strange that this report was not referenced in 45.8 2 Memo November 1949.)

2. We have learned the original CIC request for information on MILLER fru was based on the report of a US Navy officer temporarily on duty in this area. Further details will be forwarded if received.

3. We are most anxious to have GV "G"'s report on subject as well as your comments on Para 1 above.
